WHAT THEY'RE SAYING...

"...As you know, annual convention attendees are the most demanding audiences and the response that I received on the subjects you presented was overwhelmingly positive. Thank you for helping me and IIAA look so good."

Mary S. Chor
Independent Insurance Agents of America

"...We are continually seeking new and innovative methods by which our employees may achieve their personal and business goals. Hypmovation is one of those methods which really works. Once again, thank you for making our agent kickoff a success."

John Raymond
Allstate of Maryland

"You were a hit! I don't think we could have made a better choice. Your message was perfect for our group. You kept them entertained and provided motivation that carried them through to the end of the convention. Thank you for being such an important part of our educational and motivational program."

Jim Lee
Floor Installation Association

"The feedback I've received about your participation at this year's Annual Sales Congress has been nothing short of 'fantastic.'! I was extremely pleased with the way in which you custom designed your program to meet our specific needs. Thanks very much for a terrific effort, it has helped to make this year's Congress the best to date!"

Andrew J. Allen
Canadian Association of Insurance
and Financial Advisors

"All the comments we received from the agents in attendance at our Fall Festival gave you rave reviews. Our agents felt they got some useful insight into their own mind and attitude control and they were extremely entertained."

Chuck Lamb
Century 21 Real Estate of Northern California

"It's nice to know by adding a Jim Zinger seminar to the meeting we increased the quality of the event. It's good to see someone not only bring education but also life to a group."

Robert A. Veit
Key America

TOPIC SYNOPSIS

Life Enrichment Through Self-Hypnosis

A fun, entertaining and educational program to bring all aspects of your life into balance for a more harmonious existence. Contains a high level of audience participation. Provides transferable concepts for immediate and lasting personal growth and development.

Succeed Without Stress

A fast-paced, upbeat program that will demonstrate proven procedures to encourage professional and personal success. Learn to create balance in all areas of your life. Included are specifics on stress reduction and interpersonal communication skills.

Ready, Set, Go!

A great kickoff topic! Gear up to achieve top performance in all areas of your life. Learn to set goals, be organized and facilitate positive action. Accomplish your objectives more freely, easily and effortlessly.

Harnessing Your Potential

A fascinating program constructed to hone in on your hidden potential, assess your abilities and capitalize on your capabilities. Start today on the proactive path to reach your highest potential.

How to Use Change for Your Benefit

A topic relevant to change in the corporate world as well as in our personal lives. Whether we experience rapid growth or drastic downsizing – flux requires adaptation. This program provides an insightful introspective that focuses on specific methods for handling the inevitable process of change.

Sculpting Your Future

A high energy presentation designed to empower individuals to take control over their lives and to mold their futures by using techniques of positive thinking and self-generated motivation. This topic speaks to the importance of relaxation, self-image improvement, habit change and developing a focused path to follow for sculpting your own future.

Partnership in Excellence

Exercise your option for excellence! Learn to utilize the existing talents at all levels of your organization. Be a cooperative component in creating a cohesive unit geared to achieving a mutually beneficial outcome. Operate at peak efficiency and reap the rewards of true partnership.
